

Ball shaped legs

Understanding people's needs for fashion and comfort,
combining sheet and metal materials, striving for innovation and excellence in design.

In order to make glasses more unique and fashionable,
Designed with spherical legs. Being both simple and unique has become
one of the highlights of glasses.

The spherical design also provides you with additional stability
And comfort, making you feel more comfortable and confident when wearing glasses

Introduced a new dimension,
re examined the mirror legs,
and created a more confident style.
