every respects the word "drawn" as "draw" — that same spelling, whether
a stroke made in the mud. After being picked out of a police lineup by
the woman from the insurance company, he is then arrested and charged
with robbery, and his family finds out that he will be in court on the
following morning. Attorney Frank O'Connor (Anthony Quinn) sets out
to prove that Harry cannot possibly be the right man; at the time of the
first hold-up he was on vacation with his family, depression forces him to
be hospitalized.
