May you wander thousands of miles  
across rivers and mountains and return  
with a clear spring. May you read the  
world and never change your look. May  
you step through the world of mortals  
and return with a graceful youth.

Life is like a flower. some flowers bloom  
once a year. some flowers bloom once a  
decade. We are not sure how long our  
flowering period is, but as long as we are  
patient and irrigate silently, we can wait  
for the bright bloom.

Winter Bloom.
