板材插针/ACETATE

Detailed description: This section displays a variety of eyeglass models. On the left, five models are shown in a vertical stack: C11 (black), C13 (coffee), C22 (transparent white), C32 (milk tea), and C7 (bean curd). On the right, three more models are shown: C12 (cold tea), C6 (grey), and C8 (military green). A circular inset at the top right provides a close-up of the hinge mechanism, labeled '板材插针/ACETATE'. At the bottom right, the model number 'QQ7023 51□16-140' and the feature 'ANTI BLUE' are listed.
